

Workshop: Senses Walk

Key Stage: R/KS1

Learning Objectives: To appreciate and understand the natural world through sensory exploration.

To explore using their senses and to make and record observations.

Curriculum Links: EYFS Understanding the World

KS1 Plants, animals including humans, seasonal changes

Workshop Description: Walk around the woodlands with your guide and use every sense (except taste!) to explore the surroundings. Activities can include colour palettes, bark rubbing, smelly cocktails and sound maps. These activities can be linked to a favourite story such as The Gruffalo, The Very Hungry Caterpillar or a fairy tale of your choice.
